

INTEROFFICE MEMORANDUM

TO: Ellen MacDonald DATE: October 7, 1992

FROM: Denis R. Brown

RE: INTERCHANGE '92

This year's meeting was **OUTSTANDING !**

The audience was upbeat and receptive.....the Vice President's panel very well done....and Tuesday night's dinner at the Aquarium first class!

The change in attitude of our Interchange members over the last three years -- to understanding and agreeing with our corporate goals and objectives -- was very evident in New Orleans. As the majority of Concurrent management is exposed to the Users Group only at this meeting, it's very clear that your efforts throughout the year play a major role in cementing this relationship.

Congratulations and thank you for a successful meeting.
